"THE TEMPLE BEAUTIFUL REVISITED"

Join us this March as we journey to the sacred land of the Nile. If you have been drawn to the magic of Egypt, now is the time to experience it. Even if you have traveled to Egypt previously, we have special visits planned for this trip to sites not previously accessible to tourists. Walking in the footsteps of the ancient adepts, we begin our journey of spiritual initiation at The Great Pyramid of Giza and the Sphinx. We will experience ancient Egypt's sacred geometry codes within our own bodies as we align with its cosmic matrix of stars and temples. Join us as we immerse ourselves in the timeless beauty of Luxor, the feminine heart of ancient Egypt. Here, we visit the temples of Luxor and Karnak at our leisure, away from the crowds; as well as, the magnificent temples of Queen Hatshepsut. At Dendera, Mary will explain the mysteries of the Blue Lotus as taught in Hathor's Temple. We will have special meditation time at the Oserion of Abydos, the temple dedicated to the god, Osiris, and the "resurrection" of the body.. These ancient centers of healing and esoteric wisdom hold the keys for activating our Light Bodies. Now is the time!
