The Star Gate 2019: Ancient Wisdom / New Vision

Egypt is calling like never before! If you have been drawn to the magic of Egypt, now is the time to experience it. Even if you have traveled to Egypt previously, this trip will allow you to experience Egypt in an entirely new way as sacred "codes" are downloaded according to the accelerated energy matrix of stars and temple alignments. We will experience the 11:11/ Full Moon "Star Cord" activation in Luxor with the energy of the sacred Egyptian blue lotus. We will spend quality time in Luxor, the feminine heart of ancient Egypt. Here, we visit the temples of Luxor and Karnak; as well as, the temples of Queen Hatshepsut, and Valley of the Kings. At Hathor's main temple, Dendera, Mary will explain how the ancient Mystery School of the Blue Lotus, held (and still does) the secret keys for activating the Light Body. We complete our initiation at The Great Pyramid of Giza and the Sphinx. In addition, there is extended archaeological option to Luxor and the ancient site of Abydos and the Oserion, one of Egypt's most mysterious sites.
